Life members shall have voting privileges at quarterly meetings of the association and will be presented with an appropriate membership card, certificate or insignia which will be permanent in nature.

Friend of Addison County Firefighters Award

This award is intended for that person or persons that are **non-members** that have made a significant contribution in support of any Department within the county or to the Association itself in the last year.

It could be someone that helps year after year with your fundraising events or social activities. It could be someone that donates their time to help you with vehicle repair or body work.

It could be a company that has donated a significant amount of time or product to your department.

Maybe your dispatcher who is a non-member but is there all hours of the day or night providing a significant service could be considered.

The many people who provide heavy equipment for overhaul after a fire and don't charge you for their service are candidates for this award.

We have all had folks who rally food and beverages for some of those long fires and ask for nothing in return.

We would want to include these individuals at our annual dinner for the recognition that they deserve.

Please think of those special individuals in your community that are deserving of this award.

50 Years of Service

Any member in Good standing with 50 years of service in one or more fire departments and is a member of the ACFA is entitled to a Certificate of Recognition for their many years of service.

Questions to Consider:

1. What positions has this member held within the fire department?
If the member has held numerous positions please try and list them and include dates if possible
2. How long has this person been a member of the fire department?
Were they a part of another fire department before joining your department?
3. What committees has this member participated in within your own department as well as within the County Association?
Please list the activities and include dates where possible. Examples: Training committees, Emergency management, Secretary, Treasurer, Truck Committee, Equipment specialist, etc.
4. What contributions has the member made to the community?
Examples: ice storm relief, flood relief, town line calls, fire prevention activities including visiting local schools, coaching, service clubs, contributions to other organizations, school boards, selectboards, etc.
5. How does this person stand out within the department?
Examples: knowledge of equipment, always available, fundraising efforts, dedication to the members, etc.
